

# UNIT 8

(SEE PAGE 53 FOR UNIT 8 MAP)

This unit consists of all islands southeast of the centerline of Shelikof Strait including Kodiak, Afognak, Whale, Raspberry, Shuyak, Spruce, Marmot, Sitkalidak, Amook, Uganik, and Chirikof islands, the Trinity Islands, the Semidi Islands, and other adjacent islands.

## **Special Provisions:**

- A firearm may be used to take beaver with a trapping license from Nov. 10 - Apr. 30.
- A Federally-qualified subsistence user (recipient) may designate another Federally-qualified subsistence user to take deer on his or her behalf unless the recipient is a member of a community operating under a community harvest system. The designated hunter must obtain a designated hunter permit and must return a completed harvest report. The designated hunter may hunt for any number of recipients but may have no more than two harvest limits in his/her possession at any one time.

An "All rural residents" designation in the following customary and traditional use determinations means that a specific determination has not yet been made.

## **Hunting**
